

## The All-New

# XH16i Hybrid Caravan

## More Comfort. More Freedom. No Compromise.

The XH16i is built for those who want more from their off-road experience — more comfort, more space, and zero setup.

With a true island bed layout and upgraded off-grid capability, this is next-level touring designed to go further without compromise.

### **TOUGH BY DESIGN.** *Engineered for Australian Conditions*

Built on the same rugged foundation as the XH16L, the XH16i is designed to handle corrugations, remote tracks, and harsh conditions with confidence. A reinforced galvanised chassis, independent suspension, and high ground clearance ensure stability and control wherever you take it.

### **SETUP / LIVING.** *Zero Setup. Maximum Comfort.*

No fold-outs. No complicated setup. The island bed layout gives you a true walk-around sleeping space, ready the moment you arrive. Inside, smart design maximises usable space, airflow, and everyday comfort.

### **FEATURES.** *Designed for Comfort & Convenience*

**Island Bed (Walk-Around):** queen-size inner-spring with easy side access.

**Integrated Washing Machine:** onboard laundry for extended off-grid stays.

**True Split Ensuite:** separate shower and toilet for a spacious, home feel.

**Internal Kitchen:** induction cooktop, sink, cupboard space and fridge/freezer.

**External Kitchen:** slide-out kitchen with gas cooker, sink, and storage.

### **OFF-GRID CAPABILITY.** *Power, Water & Independence*

Built for extended off-grid touring, the XH16i delivers serious self-sufficiency. With high-capacity solar, lithium battery storage, and a fully integrated power system, you can stay out longer without relying on external power.
